

# At the Heart of Homeopathy

Established in 1986 Helios Homeopathy supplies homeopathic remedies to practitioners and the public worldwide, and whilst the business has grown extensively, we have never lost touch with our founding principles - 'to create a new source of potent, accurate and effective remedies to bring profound healing and relief of suffering'.

We are delighted to announce the opening of our newly refurbished pharmacy shop, created for us by local craftsmen, where alongside our homeopathic remedies and first aid creams you will find a wide variety of vitamin, mineral and herbal supplements supplied by Biocare, Higher Nature, Solgar and Bioforce. Natural, organic skin care and hair care is provided by Dr Hauschka, Green People and Weleda and we also have a good selection of baby and childcare products.

Our qualified homeopaths and trained shop personnel are on hand to offer a warm welcome and their expert advice, or come and browse through our book department which, as well as Homeopathy,

covers many other topics from Aromatherapy to Psychology for the whole family, including your pets.

Next door to the pharmacy we have a complementary health care clinic offering homeopathy and a wide range of other Holistic therapies to enhance your health and wellbeing. All our therapists are highly experienced and registered with their relevant associations ensuring best practice and your peace of mind.

So why not drop by and see all the changes we have made and meet the team at Helios.

*We are open Monday to Friday 9.30 am to 5.30 pm and Saturday 10.00 am to 2.00 pm or to find out more visit our Website [www.helios.co.uk](http://www.helios.co.uk). We look forward to seeing you.*
