Royal Retreat

Now Open!

Every Monarch needs a country retreat in which to escape their royal duties, and this is our 'Balmoral'.

Two large, luxurious double treatment suites set in the glorious English countryside with stunning views across the Upper Medway valley offering a selection of Royal's signature treatments.

If you wish to share your experience with your Prince Phillip or even your Camilla, our treatment suites are more than generous with two beds and a lounge area.

For Further information, please contact our concierge
